Summary

A pharmacy graduate, currently attending to a MSc in Industrial Pharmaceutical Science. Keen for a changing in career towards the Pharmaceutical Industrial field. Adaptable and dedicated professional with a good interpersonal relationship. I've been fortunate enough to work in different environments, companies and countries specially with customer service and pharmaceutical care.

Education

Sep 2015 – Sep 2016

MSc in Industrial Pharmaceutical Science (Merit; Distinction), University of Brighton, United Kingdom.

Jan 2008 – Sep 2013

Pharmacy and Clinical Analysis (2:1), Federal University of Santa Catarina, Brazil.

Experience

Lidl Superstore Brighton (part-time)

Jun 2015 - Present

Customer Assistant

To help in the master's expenses I've been working in a busy and multi-task team environment to provide outstanding customer service, most of time under pressure.

Dermus Compounding Pharmacy

Jun 2013 - Feb 2014

Pharmacist

Worked in the formulation, calculation and preparation of sublingual tablets. Assisted customers to achieve their loyalty and selling targets applied by the company. Advised and answered physician's questions regarding formulation and doses. Worked with the formulation of solids, semi-solids, liquids and homeopathy.

Federal University of Santa Catarina

Jul 2012 - Dec 2012

Lecturer's assistant, Department of Microbiology

Assisted the lecturers during practical classes. Prepared materials, such as culture medias and maintained the collection of bacteria, for the classes.

Federal University of Santa Catarina

Mar 2012 - Jun 2012

Lecturer's assistant, Department of Pharmacotechniques

Assisted lecturers during practical classes, as well as students by answering general questions about the subject. Separated and organised materials and equipment necessary to the classes.

Drugstore Oneda Ltda (Summer Job)

Dec 2011 - Feb 2012

Pharmacist

I was responsible for customer service and pharmaceutical care. I've worked in the book-keeping of controlled medicines and stock control for orders.

Skills Base

Languages: Fluent in Portuguese, Professional working proficiency in English and Italian;
